Penton Technology Names Enterprise Integration to the MSPmentor 501 Global Edition
8th Annual Report Identifies World's Top 501 Managed Service Providers (MSPs)

JACKSONVILLE, Fla.– Enterprise Integration has appeared on Penton Technology's eighth-annual MSPmentor 501 Global Edition, a distinguished list and report identifying the world's top 501 managed service providers (MSPs). The complete 501 list is currently available on the MSPmentor. Additional lists include:

- The top ranked MSPs in North America
- The top MSPs in Europe, Middle East and Africa
- The top MSPs in Asia, Australia and New Zealand
- The top Small Business MSP list comprised of the top companies in our annual survey with 10 or fewer employees.

"We are driven to fundamentally change the IT industry with next level automation and Digital Robotics that deliver transparency, efficiency and trust. The fruits of our incredible development staff brought the vision to reality. EI is solving over 60% of incidents via Service Delivery Intelligence (SDI™) and our Digital Robotics product solutions that are turning our organization into a Global leader in the next phase of service delivery for our customers. It is tremendously rewarding to deliver real enabling customer service to our valued clients and bring needed transformation to their core business." Said Locher.

Each year, *MSPmentor* gathers information for its annual rankings through the participation of managed service providers and IT service providers in our annual survey. The survey was conducted from December 2014 through January 2015. Rankings are based Penton Technology's unique criteria for MSPs such as annual recurring revenues, total revenues and more.

"We want to congratulate Enterprise Integration and look forward to covering their growth strategies in the year ahead," said Marcia Parker, Executive Director, Penton Technology Group.

This year the top *MSPmentor 501* companies recorded higher recurring revenues than ever before. Combined, the total annual recurring revenues for all of *MSPmentor 501* 2015 companies reached a record high of $3.95 billion in 2014, up 26.5% year over year.

"Thank you to all the companies who participated in this year's MSPmentor 501 survey, and congratulations to the companies that ranked on our 501 list, our regional lists and our Small Business list," said Jessica Davis, Editor in Chief of MSPmentor and Executive Editor at Penton Technology. "Your participation enables us to continue to provide you with high quality information about the most successful business models, pricing, vertical markets and other approaches to running your businesses in 2015 and beyond."

MSPmentor, produced by Penton Technology, is the ultimate guide to managed services. MSPmentor features the industry's top-ranked blog, research, Channel Expert Hour Webcasts and FastChat videos. It is the number one online media destination for managed service providers in the world.

ABOUT ENTERPRISE INTEGRATION
Enterprise Integration (EI), headquartered in Jacksonville, Florida, since 1998, delivers the promise of IT through a unique integration of people, process and technology. We provide enterprise-wide, world class IT services and global support to clients worldwide. We engineer consistent and efficient solutions that allow our customers to focus on their core competencies and are organized and managed for optimum client flexibility, while maintaining core alignment with Information Technology Infrastructure Library ("ITIL") service delivery methodologies.

Our team of more than two hundred and twenty-five (225) industry-leading professionals have the capabilities and certifications to meet or exceed nearly all of the technology requirements specific to your IT infrastructure. In addition to being 100% ITIL-Foundations Certified, EI's team of professionals hold more than five hundred (500) technical certifications.
