ENTERPRISE INTEGRATION

FOR IMMEDIATE RELEASE: 03/20/2017

### **Michael Reed joins the ranks of Northeast Florida's 40 Under 40 honorees!**

Jacksonville, Fla. March 20<sup>th</sup> 2017 – Jacksonville Business Journal has recognized [Michael Reed](#), a Tactical Automation Certification Team ("TACT") Manager for Enterprise Integration, as an upcoming leader in their recent 40 under 40 award program. The 40 under 40 award program highlights 40 of Northeast Florida's brightest, most promising professionals under the age of 40. These individuals are high-achieving leaders in the community who are building on Jacksonville's rich past, while also working toward its brighter future.

Michael began his journey at Enterprise Integration when he was 19 years old and has grown tremendously over the course of his 10+ years. He was originally hired on as a temporary Field Service Technician and quickly excelled in numerous roles including, Desktop Support, Systems Engineer, Senior Systems Engineer and TACT Team lead. In the past year, was promoted to manage the TACT team for one of Enterprise Integration's largest Enterprise clients, CSX. He has accomplished many notable projects around long-term strategy plans for major client IT initiatives including refreshes, application packaging, endpoint management/architecture and enhanced reporting.

Outside of the workplace, Michael supports a wide variety of local artists, invests in local Authors and helps bolster employment within the Jacksonville's community.

Mr. Michael Locher stated, "Michael has led one of our key strategic clients in automation, efficiency, and our quest to "Deliver the Promise of IT" through innovation and digital robotics. He's not only a brilliant technologist, but someone who gets the alignment of technology and customer experience."
